WINNING ARCHITECTURAL IMAGES

For the third year in a row, School of Art + Design Director Glenn Goldman is a winner in the annual architectural photography contest sponsored by the West Jersey Section of the American Institute of Architects. A series of four photographs taken in Ireland received awards and were selected for publication in the organization's 2014 calendar.

"Structure and Beauty" (above), captured in the chapel of Dublin Castle, was

named the Best Overall Entry and appears on the cover of the calendar. "Cobwebs and Columns" (right), taken in Kilkenny, is among the thirteen winners and the image for October. Two additional photographs, "Back of House," an unusual look at late additions at the rear of Dublin Castle, and "Reflections of the Custom House," taken from across the Liffey River, were named as merit selections and also published.
